Subject: Meeting Monday July 16th

Governance Sub-Committee Members,

We would like to set the first meeting of this committee. I need your response to a meeting on Monday July 16th at 6:30 pm at the DeLand YMCA. I am open to another location if we can find one. I am still checking on the United Way building for this meeting but have not gotten confirmation. I will let you know if I can confirm this location. I want to get the date and time on your calendar first. I will be back in touch.
