

Merger Committee,

The Governance Sub-committee will not have a draft of the by-laws document for us to review by next Tuesday (Dec. 11th). Therefore we will move our next meeting to Tuesday, December 18th 6pm, at the United Way Building. Although crowded we will meet in the small conference room rather than trying to find another location. This is the final part of the process and we need to make sure we complete our work. Please let me know if you can NOT attend. I have attached a copy of our last meeting minutes.
