After all of our discussion regarding the setting of time and place for the meeting of Membership & Programs-- I cannot make it on Thursday at noon. So in the interest of progress, I would like for Kathy A to lead the meeting.

Instead of trying to accommodate everyone and getting no where, this seems the best solution.

Ken and John will contact Joseph Jetter and Walt Fordham.

I will contact Tomas Concepcion.

Attached is the final draft of the Membership and Programs comparison. It should be printed out for all of you if possible.

I am sending this to Rand also in order to get it on the web site for scheduling purposes.

Kathy-I hope this is okay with you.
