*Merger Committee,*

This is notice of our scheduled meeting for next Tuesday night July 17<sup>th</sup> 6:00 pm at the United Way Building. Please find attached a copy of the agenda and minutes from our last meeting. I have also attached the current version of the sub-committee commitments and a tentative schedule of the first meetings of the sub-committees.

---

Kathy was correct in that we will not be ready for sub-committee final reports at this meeting. We do need to have each committee report on their progress to date. One of the tasks at this point is to determine what information is necessary in order to move to the Letter of Intent and what information is not needed until the Merger decision. All committees are moving forward but will not have a formal report at this meeting.

Due to a previous commitment I will not be able to attend this meeting. Chuck East will be attending this meeting. Please let me know if you have any questions prior to the meeting. Thanks for your understanding.

We are moving forward. The staff is running the YMCA and we are having a great summer serving the kids and families of Volusia County.
